DEDICATION

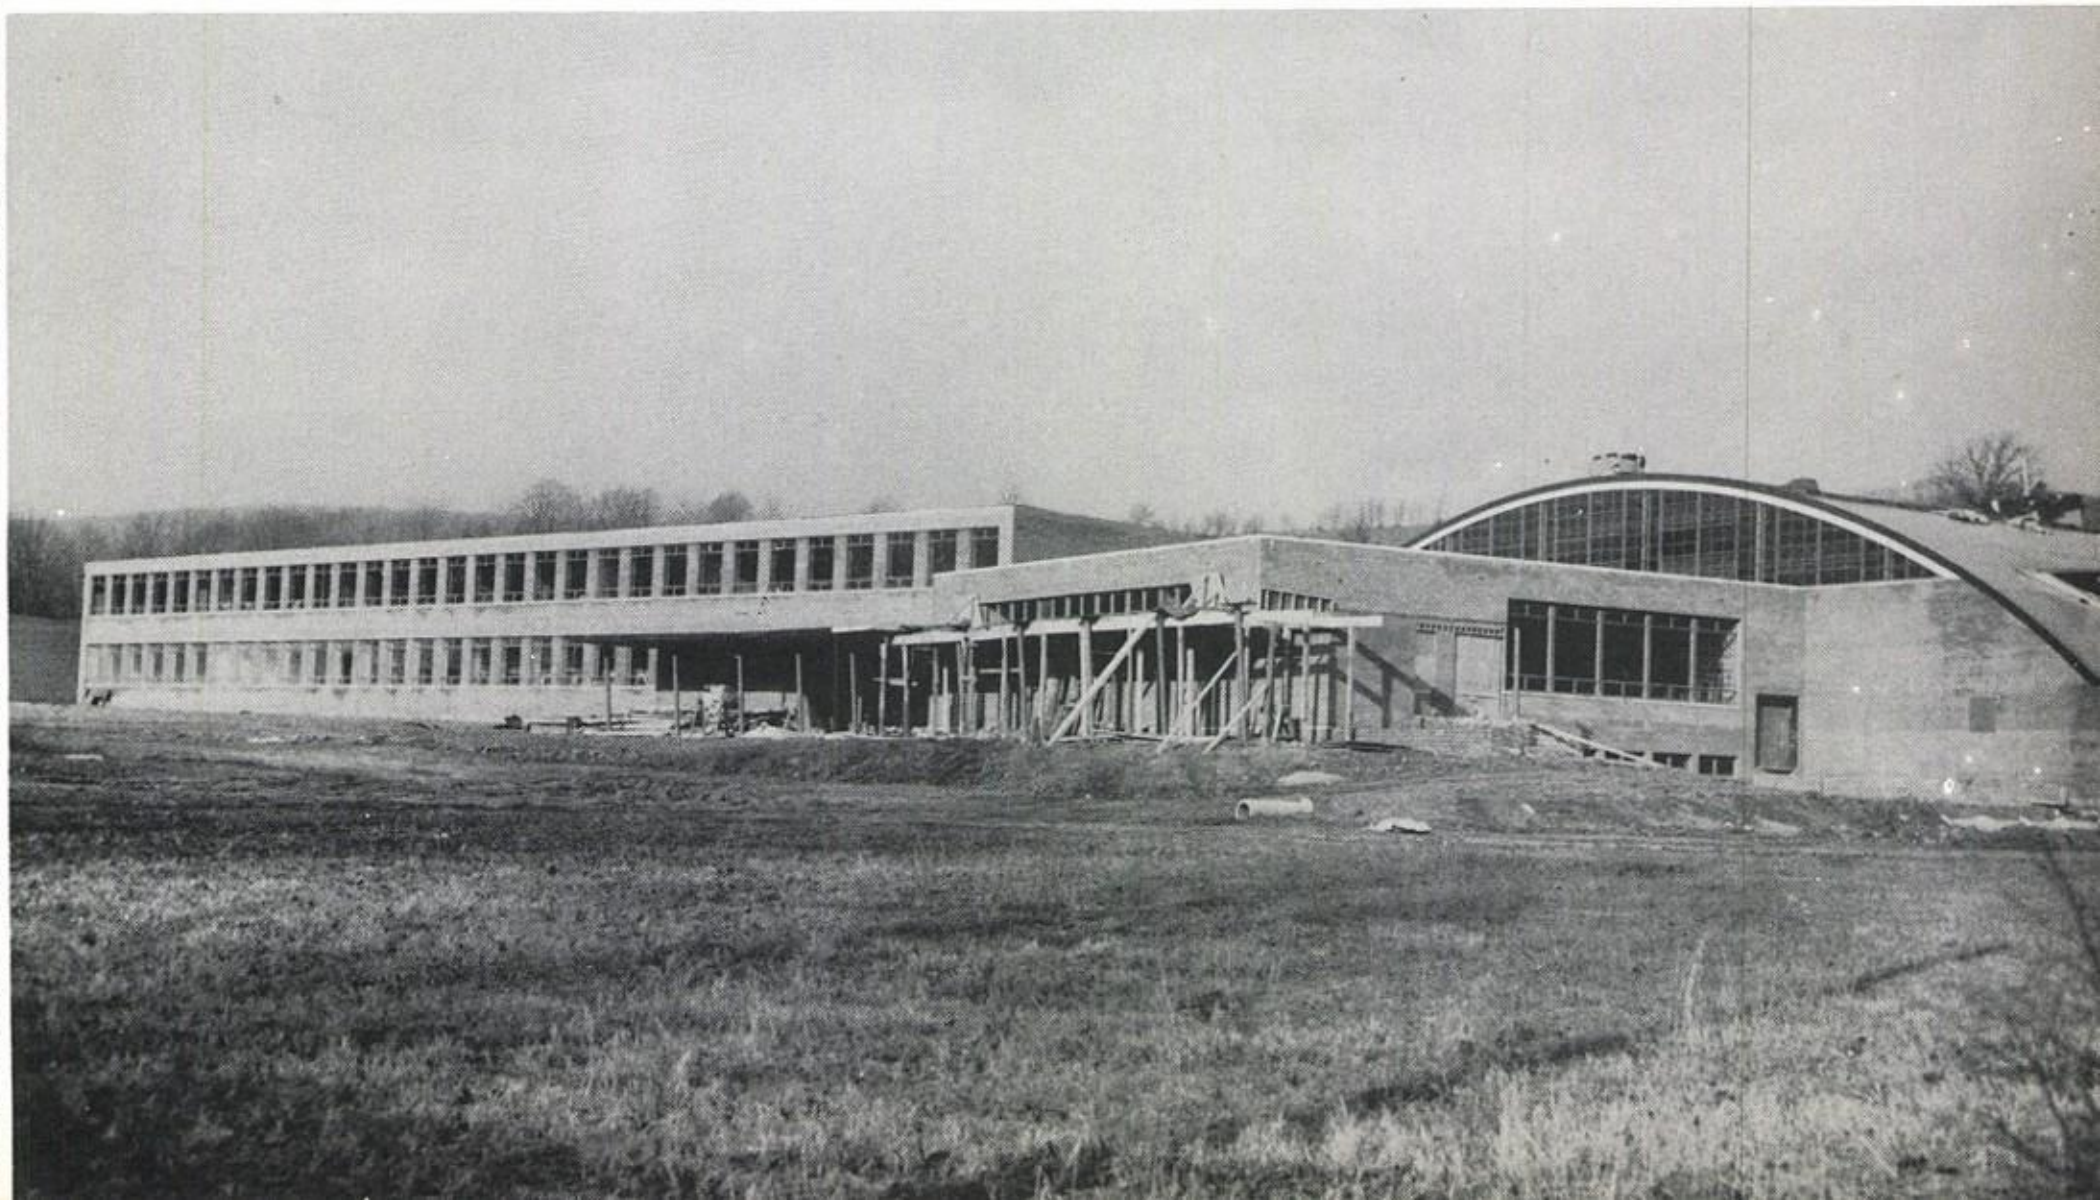
TO OUR FACULTY

They have instructed us, encouraged us, and led us through
our high school days,
Always ready to understand, to sympathize, to laugh.
They have given us memories which we shall never forget.

They are an inspiration to the future,
Building the morale of students, and helping them to be
good citizens, and to face the problems of tomorrow.
They mean much to Canton High School.

With sincere respect, with the love and gratitude that are
so rightfully theirs,
We, the Class of 1954, dedicate this edition of
THE MINNEQUAN, to our Faculty.



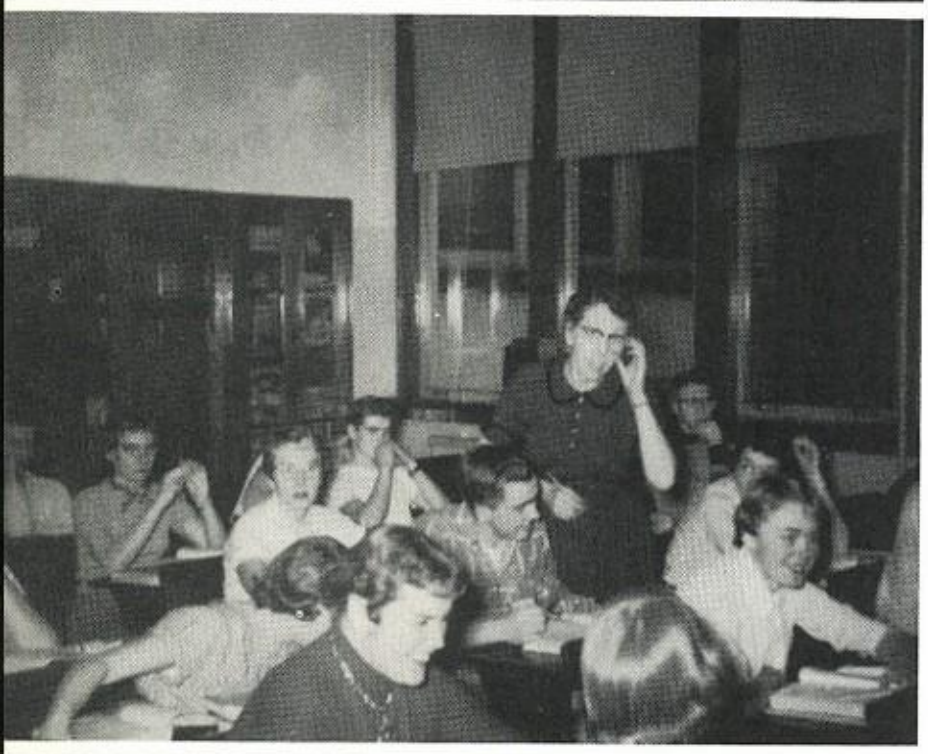
MISS ANNA DEE WATTS

We, the Class of 1954, wish to express to you our thanks for your untiring efforts in making this 1954 MINNEQUAN a success.

MISS ETHEL MOSER

The Class of 1954 extends to you its sincere thanks for the many things you have done for us. When we were in trouble you advised us and always had time to listen to our problems. We shall remember always your kindly help and cooperation.

Best Wishes for a Happy and Successful Future
Ethel Moser



"All the world's a stage and all the

men and women merely players.

In sooth, we are but soothsayers.

We've had our exits and our entrances.

This noble class of nineteen fifty-four

Has strut and fretted, need we say much more.

This noble book, we offer as a guide

Whose theme portrays a gorgeous panorama

Of deeds well played before the cyclorama."

Greetings and Salutations to the Class of 1954

Your achievements throughout your career in Canton High School have been many. Your 93 members comprise the largest class ever to graduate from this school. You have lead a football team to the league championship; you have put on outstanding dramatic productions in your Junior and Senior plays; you have made important contributions to the musical organizations, to the agriculture and home economics departments, to the school paper and the yearbook of the school; and you have persevered scholastically and achieved graduation. For these accomplishments, I heartily commend you. We, the administration, along with your teachers and parents, have endeavored for the past twelve years to prepare you to face and solve the problems you have met and will meet in your future life.

The world that your parents knew is gone forever. Methods of transportation, new discoveries and atomic developments have changed all our lives. In this changing world, problems develop faster than solutions can keep up with them. The school can only scratch the surface in preparing you for your future life. We can attempt only to teach you to reason correctly from facts and give you a basis from which to work towards achieving happiness in your personal life.

I personally wish you every success and happiness as you go out into the world from this, your Alma Mater. Challenges of life are many. I exhort each of you to meet life's challenges with courage and fortitude; to assume responsibilities in the adult world and above all to make your contributions generously and graciously.

May God's blessing be with you all.

The Student Council is a governing body made up of class and homeroom representatives from each grade of the high school.

The Council has made great progress this year. Our biggest project is getting all the senior football, basketball, and baseball players a sweater. We raise our money by having bake sales, tag days, and dances. Some of the entertainment we sponsor for Canton High is twirp season, all-school dances once a month, the purchase of records, and the sponsoring of noon movies. The Council also feeds two of the visiting teams, together with the Canton teams, coaches, cheerleaders, scorekeepers, and timekeepers. They eat cafeteria style.

The Canton High School Council is cooperative and hard working. Much credit should be given to this group under the direction of Mr. Holcomb.

The Class of '54

CLASS HISTORY

The breathless moment has finally arrived. It is curtain time! The lights slowly dim and the curtain rises in Act I.

Scene I The time is the fall of 1942. As the scene opens you see a group of bewildered but eager children embark on the road of learning. This is the future class of "54." Our grade school days are filled with happy childhood memories.

Scene II The second scene is another of bewildered but somewhat older actors and actresses. This again is us as we start the seventh grade in the high school building. After learning the whereabouts and the why-fores and getting acquainted with the many new faces we settle down a little and elect Mr. Harry Johnson as our class sponsor. The rest of this scene passes rather uneventfully.

Scene III This is a very short scene, but one of importance to us because in this we elect Miss Ethel Moser as our class sponsor and she keeps this position during the remaining five years of our high school days.

ACT II

Scene I You now see us entering our freshman year. We think we are really quite sophisticated until we get knocked down a peg or two by the mighty sophomores at our initiation. The scene is really one of the high lights of the play. The sophs put us through some hectic antics but fete us with a reception later. At the close of this scene you see a group from this class having a panel discussion for our parents on career night.

Scene II We are now seen taking our revenge on the poor freshmen for the things that had been done to us the previous year. We are in senior high school and many of us actors and actresses join the many activities offered us. Tom Pepper stars in the scene, being elected class president. A group of sophomores in the Dramatic Club presented to the school a delightful comedy "Antic Spring" which takes place at the end of the scene.

Act III

Scene I Hurry, Hurry! Get your magazines from the juniors. You see us starting our junior year with a bang by selling a large amount of magazines during our two weeks' campaign. Barbara Thomas starred as class president in this scene. Near the end we see "plays" within the play which is now being presented to you--our Junior plays "Opening Night," "The Marriage of Pierrot," and "The Brave Shall Serve." Then comes preparations for our Junior Prom "Moonlight and Roses" where you see many of us working hard, but having a good time, getting ready for it with the aid of Mr. Charles Schlappi. Finally comes the wonderful night when we dance to the strains of Johnny Nicolosi's orchestra.

Scene II The final act shows us as mighty seniors with Stuart Slingerland taking the lead as class president. This is the busiest but one of the happiest of our school years. Work on the yearbook starts shortly after we begin the fall term and we are kept busy with this until January. We take time out from this for our senior play, "Annie Get Your Gun," and with our thanks to Mrs. Hurley we put on one of the most delightful, entertaining plays ever presented before at C. H. S. Shortly after, you see a group attending career night at Williamsport High School. After the Christmas vacation came our senior class party which was a gala affair. The operetta, getting measured for caps and gowns, election of May Queen and Laurel Festival representative, our senior trip to New York, Baccalaureate, and finally Commencement bring to a close the happy, yes even sad, but certainly the most unforgettable stage of our lives. As the curtain falls on this class of 1954 you see us leaving the gymnasium clad in our caps and gowns, a little wiser, a little more grown up; many still uncertain as to where they are going from here.

THE CANTON HIGH SCHOOL

SENIOR BAND

The Canton High School Band, under the very capable direction of Mr. George Lyons, adds a great deal to our community as well as to our school, with its snappy marching.

The band is made up of 48 members, each one of whom devotes a great deal of time and effort to its success.

Its major engagements are: The football games, none of which would be complete without the lively half-time performances of the band -- The annual May Day Concert -- The Halloween Parade -- and the annual Laurel Festival held at Wellsboro. The band also competes in other parades throughout the summer and fall seasons.

FUTURE HOMEMAKERS OF AMERICA

The Jolly Homemakers Chapter F. H. A. had an eventful year in 1953-54 in its club work. Some outstanding events were: Phyllis Isaacs, our president, and Mrs. Crumbling, represented Pennsylvania Region at the National Convention at Columbus, Ohio, last summer. A carload of us attended the Millville Region at the conference last fall and we were represented at the State Convention at Wilkes-Barre this spring.

Our meetings have been interesting with speakers, games, and club business, as well as social with picnics, teas, and suppers. Girls at Canton High are lucky to have the many opportunities for fun and development in their F. H. A. club.

Again as a very successful year draws to a close, it is time to stop and take a look at the activities of the F.F.A. during the past year. This year's membership is 50--boys who are striving to become leaders and future farmers of our community.

Each year boys enter their project books in the County and State project contest. Robert Barrow and Tom Pepper placed first and third respectively in the county dairy contest, Romaine Sechrist first in the chick project, Robert Spencer second in the laying hen contest, Jim Beers third in dairy calves. In the state project contest Robert Barrow won a Gold Medal for his dairy herd and Romaine Sechrist won a bronze medal for his chick project.

Paul Brackman was elected reporter of the County Association of Future Farmers of America. The following boys received the Bradford Area Farmer Degree and the Keystone Farmer Degree, one of the highest F.F.A. degrees: Robert Barrow, Paul Brackman, Dale Metzger, Tom Pepper, and Charles Wright. Herbert Chamberlain also received the Bradford Area Farmer Degree.

The activities sponsored by the F.F.A. included: Halloween party, vermin contest, basketball team, concession at Football games, recreation nights, game supper, and the Father and Son Banquet.

FOOTBALL CHAMPS

The 1953 Canton Warriors ended a successful season, winning the West Branch League title for the first time in 16 years, with a 5-1-0 record. Under the brilliant coaching of Robert Bowman, assisted by Harold Stackhouse and James Arnold, the boys finished with an overall record of 6 wins, 2 ties, and 2 losses.

The team played their most important game at Montgomery, Canton's rival for the championship. After a hard muddy afternoon, the game ended in a scoreless tie. The next week playing their best game at Towanda under the lights, they defeated the Black Knights 26 to 0. The worst defeat was suffered at South Williamsport in the cold of the season's worst snow storm.

The team was led by captain, Eddie Keiffer, a senior fullback. This was Eddie's fourth year on the varsity and perhaps his greatest. He did most of the team's punting and passing, with Mason Machmer, a senior end, as his favorite pass receiver. Also, accounting for fine work were John Huntley, a good quarterback; Paul Brackman, end; and John Zemla, the team's biggest lineman. Other seniors who contributed much toward the success of the team were Jim Stone and Bill Smith.

The season was concluded with the fine banquet which saw a former coach, Lefty James of Cornell, as the evening's speaker. The boys throughout the season displayed the enthusiasm and sportsmanship which is possessed by any fine athletic group, making every Canton fan feel proud of them. The seniors leaving the team will be missed, but the underclassmen can be counted on to uphold Canton's spirit.

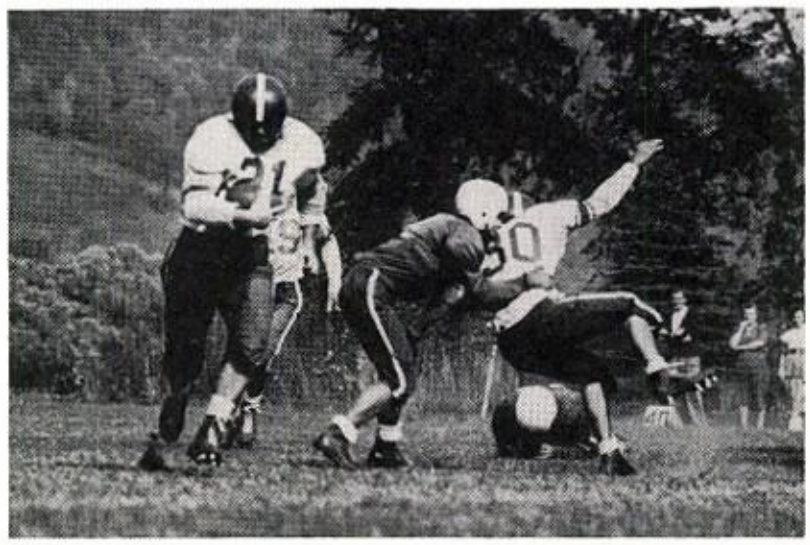
J.V. FOOTBALL

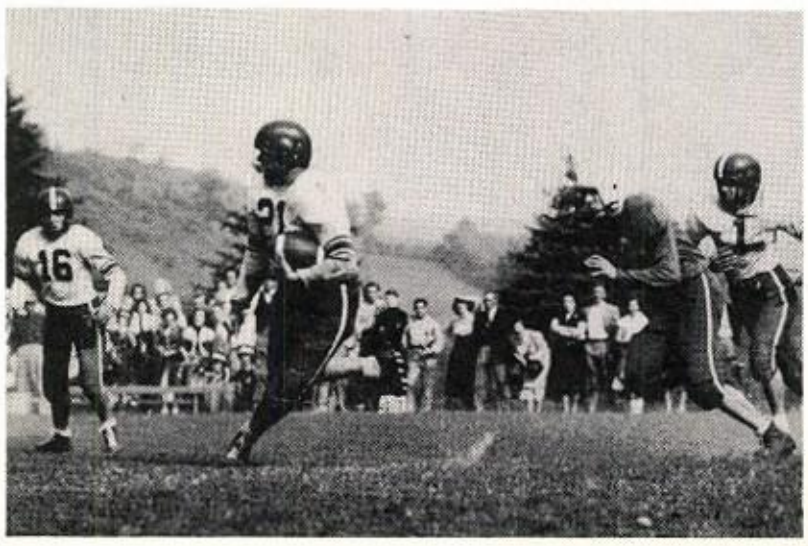
The Junior Varsity Football team, under the leadership of Mr. James Arnold, completed five games this season--two with Towanda, two with Troy and one with Sayre.

They began the season with a game at Troy, and were defeated 19 to 0. The following game at Towanda ended victoriously 19 to 0. The remaining three games were played on the home field where they lost to Troy 7 to 0, to Towanda 21 to 6, and ending the season with a 15 to 0 defeat by Sayre.

The future stars now appear to be small and light, but they possess the aggressiveness every good team needs. With a little extra weight, these boys will follow in the footsteps of this year's varsity with proudness and determination.

Good Luck to the Future West Branch Champions.





VARSITY

CHEERLEADERS

Clockwise: Winifred Machmer, Betty Kerrick, Linda McConnell, Beverly Crandall, Carlene Stanley, Helen Grace, Susan VanDyke.

Necessary for a successful athletic year is the cooperation and enthusiasm of the entire student body, which was brilliantly led this year in both varsity and junior varsity events by our fine and spirited cheerleading squads. The varsity cheerleaders, led by co-captains Linda McConnell and Winifred Machmer, expressed great enthusiasm and helpful encouragement to the various Warrior teams. The Junior varsity cheerleaders were as eagerly leading their teams to fine games.

These groups also cooperated in a very successful Haddad Tag Day and various school dances and pep meetings. Thus helping in the success of the athletic school year.

Leaving the football field, action was quickly placed in the high school gym, where Coach Harold Stackhouse, assisted by Andrew Huzinec, began putting the basketball players through a quick preparation for their opening game with Elkland. Lacking the height possessed by the opponents, the boys were forced to depend upon speed and brilliant shooting. With five players remaining from last year's varsity, Paul Brackman, Mason Machmer, Eddie Keiffer, Stan Shadduck, and Champ Deets, the boys began the season.

After being defeated in their first major starts they came back to defeat Towanda in a thrilling close and fast game before a packed gymnasium at Towanda. This game was the highlight of the first half season. The second half began with Sayre playing at Canton. Although Canton lost, this was a close, hard-played game throughout.

Stan Shadduck was team high scorer and among the top scorers in the league. The players mentioned above, plus Jim Seeley will be missed in the basketball year to come, but their places will be capably filled by the returning underclassmen.

The 1953 Canton baseball team, for the first time in many years, won the Roosevelt Trail League Championship. Under the excellent leadership of Coach Frank Walk, the team ended with a record of 9 wins and 1 loss in league competetion.

The brilliant pitching of Morris Morgan, with 5 shutouts, the fine defensive play by a speedy infield and a secure outfield, matched by timely hitting were all valuable assets toward scoring 85 runs and holding the opposition to only 15.

The batting was led by catcher Sheldon Franklin with an average of .473, followed by shortstop Ed Keiffer with .421. Other members of the infield were: Third base, Chuck Hoagland; second, Don Gray; first, Stan Shadduck; and secondary shortstop , Kim Packard. Outfielders were Dick Bassett, Paul Brackman, Bob Reid, Jim Brenchley and Charles Miller; Dale Landon helped in the catching department. The six graduating seniors will be missed in the development of the 1954 team.

May 3, 1954

Dear Kathy,

I dont have muck to write about, but as I sit here in study hall, I recall many funny little incidents that have happened to us. Remember Crimson Echo meetings, always. I shall never forget them. Remember looking at bill folds, not getting our assignments in on time and after much hard work, the finished paper. Remember history class, and what Kelly said about you and Ted. Remember our "53" Christmas party! Remember our "54" class party "Oh what fun." I just love to square dance. Remember the R.S.P.A. meeting at Iowanda! Those Athens days were pretty nice weren't they! Remember the snake!!! Remember our Thursday study halls, with Sally, Ana Rae, Shirlie, you and I?! I hope you will always remember C.H.S. forever! Loads of Luck Always!

Remember typing class!!!
